Adverse Weather Information

During periods of ice and snow, Route 245 will not serve Bellevue Community College. Service will remain on 148th Ave SE. In Eastgate, the stop at 142nd Pl SE & SE 32nd St will not be served. In Factoria, the bus will travel to its terminal of 124th Ave SE & SE 41st St via SE 38th St and 124th Ave SE.

The stops on Factoria Blvd south of SE 38th St and the stop on Coal Creek Pkwy at 124th St will not be served. Metro offers the following resources to update you on transit service: Metro Rider Information, 206-553-3000, Bus Time, 206-287-8463, and Metro Online, <http://transit.metrokc.gov>. Also, listen to local radio stations for reports of traffic and road conditions. Adverse weather results in a high number of calls to Metro's Rider Information Office, so you may experience an extended on-hold waiting period or receive a busy signal. We'll do our best to serve you, but we appreciate your patience when adverse weather impacts Metro service.

Note: Sat. and Sun. service does not go through Bellevue Community College campus. Service travels via 148th Ave SE.
